Guests and potential members must complete this form and give €5 to the walk leader on the first walk. To qualify for full membership, the applicant is required to complete three walks satisfactorily within three months from the date of the first walk. At least two of these walks must be full day walks. The Walks Card must be signed by each leader on the day of the walk. When the three walks are completed, the Walks Card should be returned to the Secretary with the balance of the €30 membership fee. The Club Committee will review the application for membership before acceptance.

I recognise and acknowledge that hill walking is an adventure sport and carries inherent risks of injury or death. As a participant I am aware of and accept such risks. To the best of my knowledge, I have no medical condition that would preclude me from participating in the activities of HF Walking Club.

I agree to the above conditions by ticking the box:  I have given the leader €5:  I am 18 or over:

I have read and agree to abide by HF Walking Club constitution and rules:
